

Forfeited surplus credit

Keep your surplus, kick your carrier

If your business is on a level funded plan and you're currently in a surplus position with your carrier, you can earn an admin fee credit when you come to us.

You can get up to a **\$300** administrative fee credit per enrolled employee to offset the surplus you'd be giving up. This is for on-cycle renewals for groups with 10–100 enrolled employees.*

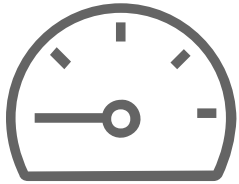

How it works

Administrative fee credits for Aetna Funding AdvantageSM aren't cumulative and apply only to new groups in a surplus position coming from another level funded plan.*

The credit will be a one-time administrative fee credit. It will be applied to your second Aetna Funding Advantage bill. If the credit is larger than your second month of administrative fees, we will credit the remaining amount to the third bill.
