

Now you can pay for your qualified dental care over 12 months¹ with no fees².

Introducing the Healthcare Spending Card¹, presented by Lane Health together with Delta Dental

A better way to pay for your qualified dental and other health care expenses.

The first-of-its-kind Healthcare Spending Card¹ can help you get the qualified dental care you deserve and stay in control of your healthcare bills.

And when you use the Card¹ to pay for a qualified dental expense, your repayment will be divided into smaller installments over time - **with no fees**² over the **entire 12-month**¹ term.

Request³ the Card¹ at hsc.lanehealth.com/dd.

Additional benefits of the Card¹:

- Once you are approved and activate³ the Card¹, you can get a **credit limit**¹ of at least \$500 (and many are eligible for more).
- You can use the Card¹ for non-dental health care expenses too, with **convenient repayment in smaller installments** over 12 months (with fees) or additional no-fee² options.
- You can link your health saving account⁴ (HSA) to the Card¹ and **utilize available pre-tax funds** for minimum payments on your qualified dental or other health care costs.

Great! How can I get started?

We recommend requesting³ the Healthcare Spending Card¹ right away, so you're prepared for any unexpected expenses. It's quick and simple, and there are no credit checks.
